

# 2170 SPREADER

Developed for commercial applicators, the 2170 Spreader delivers superior performance at an affordable price.

The 2170 Spreader is a true commercial performer 45kg capacity, the heavy-duty “Diamond” chassis & super-duty high-speed gearbox.

This mix of high performance and great price gives the commercial user, or the homeowner with a large lawn, the capabilities of handling large areas easily.

The 2170 Spreader is designed from the ground up for easy operation and long trouble-free service. Our patented EV-N-SPRED® 3-hole drop system will allow for balanced spreading of all types of granular material.

The 2170 Spreader is a must have for any commercial material applicator.
